

**RFA #20139 Personal Responsibility Education Program  
Health Education Standards**

The Personal Responsibility Education Program initiative will support staffing for a team of Health Educators and Health Educator Supervisor.

**Health Educator**

Under the supervision of the Health Educator Supervisor, the Health Educator duties and responsibilities include:

- Completes orientation and trainings including mandatory online implementation training prior to delivering evidence-based programming. This training is available on the ACT for Youth website at [www.actforyouth.net](http://www.actforyouth.net).
- Completes training for the specific evidence-based programming, if defined by the model developer.
- Delivers evidenced-based program with fidelity to youth in a variety of settings.
- Conducts community outreach and education.
- Completes required reporting accurately and timely as designated.
- Provides assistance and/or referrals for youth to obtain comprehensive family planning services, health services or other essential support services as identified.

**Health Educator Qualifications:**

- Minimum: Bachelor's degree in health education or health-related field.
- Ability to facilitate discussion/teach classes to youth in a variety of settings on reproductive health topics such as reproductive anatomy, contraceptive methods, STIs, and HIV/AIDS.
- Experience working with youth and demonstrated ability to be inclusive and non-stigmatizing in their role.
- Knowledge of or experience with priority population to be served and community.
- Ability to work flexible hours, including evenings and/or weekends.
- Bilingual skills may be preferred, depending on the community and youth being served.
