

# Role Playing Checklist

Role play is used to give young people an opportunity to practice skills. Through scripted or unscripted role plays students can learn and practice complex skills.

Strategy	Well done	Needs Improvement	Comments
Explain the purpose of the role play.			
Explain feedback process.			
Set and follow norms.			
Start with low-risk situations.			
Choose volunteers for the role-play			
Set the scene.			
Assign observers and explain their task.			
End the situation.			
Allow observers ample time to complete observation form.			
Allow time for discussion.			
Give positive feedback.
