Making Evaluation Fun and Pleasurable

Thursday, May 12
11:00-12:00
Web meeting

Over this series of workshop sessions, the ACT for Youth evaluation team will briefly present on evaluation topics such as "Evaluation: What is it good for?" and "Evaluation Planning: Where do we start?" We will also cover the specific evaluation plans for the CAPP/PREP/SRAE initiatives. The topic of the month will be covered in the first 15-20 minutes of the session, and the remaining time will be open for one-to-one or small group discussions with your ACT TA/Evaluation team person regarding YOUR evaluation data.

Guiding Principles of a Trauma-Informed Approach

Wednesday, May 25

10:00-11:30

Webinar

A trauma-informed approach to programming means understanding, recognizing, preparing for, and responding to the effects trauma may have on program participants. This webinar will review the six guiding principles to consider when looking through a trauma-informed lens (Safety; Trustworthiness; Choice; Collaboration; Empowerment; and Cultural, Historical, and Gender Considerations) and how to incorporate these principles into the work you do.
